

## RILEM UPDATE

The International Union of Laboratories and Experts in Construction Materials, Systems and Structures

### 2024 RILEM Spring Convention

The 2024 RILEM Spring Convention and *Conference on Advanced Construction Materials and Processes for a Carbon Neutral Society* is taking place in Milan, Italy, on 8-12 April 2024. More information will be released soon here: [bit.ly/42sdNnv](https://bit.ly/42sdNnv).

### RILEM ROC&TOK Webinar in April

The next RILEM ROC&TOK webinar will take place on Thursday 6 April 2023 at 3 PM, Paris time. The speaker will be Prof. Burkan Isgor, Oregon State University, United States, presenting *Bridging scales from atomistic to macro through the synergistic use of computational and experimental methods – a demonstration from steel corrosion in concrete*. Visit this page [bit.ly/3JaRSZ1](https://bit.ly/3JaRSZ1) to register, it is FREE!

### 2022 RILEM Annual Report

The 2022 RILEM Annual report has just been released! You can find there the 2022 key numbers and many more features of the association related to last year. Enjoy and feel free to share it amongst your colleagues and peers! [bit.ly/3JxiaGs](https://bit.ly/3JxiaGs)

### New RILEM Proceedings

RILEM is excited to announce the publication of new Proceedings: *Strain Hardening Cementitious Composites - SHCC5*, edited by Minoru Kunieda, Toshiyuki Kanakubo, Tetsushi Kanda, Koichi Kobayashi. The book is available for purchase here [bit.ly/3yxKTEJ](https://bit.ly/3yxKTEJ). RILEM members can access the electronic version of the proceedings and download for free the whole book or any chapter in particular.
