2019-2020 TECHNICAL REPORT

RILEM is proud to present the 2019-2020 Technical Report where you can find the main features of all RILEM Technical Committees and some highlights of RILEM matters and events of the last 12 months. Follow this link to download your copy: www.bit.ly/2RmQ6JX, it is free! You can request a pdf version in HD (around 190 MB) or a ppt version of this report by sending an email to Dr Daniela Ciancio, RILEM Implementation Manager, at rim@ext.rilem.org.

74TH RILEM ANNUAL WEEK

The 74th RILEM Annual Week & 40th Cement and Concrete Science Conference was held from 31st August to 4th September 2020 in a full online mode! The organisers managed 320 delegates connecting from New Zealand (GMT+12) to Oregon, USA (GMT-7), 119 oral presentations scheduled in 8 keynote sessions and 5 daily parallel sessions and around 100 flash (4-min long) poster presentations. It was a challenging event, the first its kind, but definitely a great success. Please stay tuned to read more about the details of this event to be published soon on the RILEM website www.rilem.net!

GLOBE

RILEM is proud to give its support to the GLOBE initiative, Global Consensus on Sustainability in the Built Environment, whose main objective is to direct the attention of the global community, politicians, industry leaders, and societal decision-makers to the critical importance of the built environment for sustainable development at global and local scales. More info available here: www.bit.ly/35zqouc. Please, consider to give your support by signing the GLOBE declaration here: www.bit.ly/32peDnS.
